

Sports Medicine Program

To the Coaches and Parents of Enterprise Athletes

Maxim Physical Therapy is proud to support local athletics by providing sports medicine treatment for injured athletes. Our facility is located at 2321 Court Street. The program operates as follows:

TRAINING ROOM OPEN Tuesdays and Thursdays @ 2:30 –4:30 p.m. thru Dec 31st, 2014

1. If an athlete suffers an injury, contact us and we can initiate the treatment process. If the injury requires treatment, we will give the parents the option of seeing an M.D. for a prescription for insurance coverage, or pay a minimal fee for treatment without a prescription. This will only be for minor injuries that can be taken care of in a few treatments.
2. A.M. Treatments – At 6:30 a.m. Monday through Friday we will open our clinic for **IN-SEASON** athletes who need treatment.
3. P.M. Treatments – We will also do treatments from 2:30 to 4:00 p.m. for those athletes who have problems getting here in the morning.
4. Scheduled Treatments – Athletes can schedule treatments throughout the day, but they **MUST CALL AND GET ON THE SCHEDULE**. Walk-ins will be treated based on P.T. availability.
5. We have M.D.'s in the community that work closely with us in the evaluation and treatment of moderate/severe injuries. If you need assistance, we would be willing to help get your athlete scheduled. Remember that any service provided by a doctor will require a fee; x-rays, MRI's, office visits, and their time. They are extending a courtesy by getting you in faster, so please **DON'T ASK FOR FREE VISITS!**

If you have any questions, please call me at 242-8480. We appreciate the opportunity to assist in the care of your athlete.

Sincerely,
