

Scholarship Opportunities

Welcome to the Enterprise High School Scholarship Page. Here you will find local scholarships, national scholarships and scholarship search engines. As you browse the scholarship list click on the scholarship titles and they will take you directly to the scholarship's official website or application. Scholarships are added to the list as soon as the application becomes available. Many of our local scholarships do not become available until the second semester, so check the list regularly.

College, Universities, and Some Technical Schools offer Institutional Scholarships every year. Please check their websites for scholarship information, dates and deadlines.
