#### TODAY'S NATIONAL HOLIDAY

National Hug A Plumber Day is observed across the country on April 25. Whether it is a minor leak to a major clog, a plumber will have the right tool for the job. They have been keeping the water flowing since ancient Rome. Consider how plumbers improve our lives and health in the modern world. Their contributions could be inventions the human race would have a difficult time living without. Given a choice between using only a flush toilet or a smartphone for the rest of your life, which would you choose?
