CALIFORNIA ASSOCIATION STUDENT COUNCILS

We are currently accepting applications for the CASC Region One Cabinet. CASC (California Association of Student Councils) is a nonprofit organization devoted to teaching leadership skills, life skills, and advocacy to youth across California. As a member of the Region One Cabinet, you will represent the students of Northern California at conferences where you have the opportunity to write and pass bills regarding your education. You will plan and execute two conferences throughout the school year and learn tons of skills that will help you initiate your own personal projects and enhance your community. Applications are due April 30th. You don't want to miss out on this amazing opportunity!
If you have any questions, please contact Region One President, Ava Gebhart, at ava.gebhart@casc.net.
