STOLEN FLAG

On April 5th our EHS Legacy Gift Crest Flag was stolen. You may have seen it flying in front of the Science Wing and the new drop-off zone. If you have information on where it can be located, all tips will remain anonymous. Stop by the Main Office, or call the school's mainline and leave a message. We just want it returned.

TRACK AND FIELD

Track and Field starts Thursday from 3-4:30 please have all paperwork turned into Main Office. Come ready to workout with proper clothing.

CALIFORNIA ASSOCIATION OF STUDENT COUNCILS

We are currently accepting applications for the CASC Region One Cabinet. CASC (California Association of Student Councils) is a nonprofit organization devoted to teaching leadership skills, life skills, and advocacy to youth across California. As a member of the Region One Cabinet, you will represent the students of Northern California at conferences where you have the opportunity to write and pass bills regarding your education. You will plan and execute two conferences throughout the school year and learn tons of skills that will help you initiate your own personal projects and enhance your community. Applications are due April 30th. You don't want to miss out on this amazing opportunity!
If you have any questions, please contact Region One President, Ava Gebhart, at ava.gebhart@casc.net.

STUDENT PARKING

Only students with permits can park in the lot. If you don't have a permit you will need to park on the street. The church across the street is not available. Do not park in neighboring businesses or your car could get towed..
