STUDENTS

Attention students: Remember WES Camp? It was wonderful right? Being away from home all week; hiking, and hanging out with your awesome cabin counselor. Well, guess what? It is your turn to be a camp counselor. You can pick up applications in the counseling office or visit the Shasta County Office of Education Website. You must have teacher recommendations from all of your teachers and pass Mrs. Hardy's approval to be approved by our school as well as be approved by the school site for which you would like to be a counselor. This is a leadership position where you will be solely responsible for elementary youth at various times. The new site is over an hour away at Lassen Pines. You must provide your own transportation; there is no cell service at Lassen Pines. Only experienced or budding leaders need apply. One male and one female are needed immediately for January 22-25th.
