TODAY'S NATIONAL HOLIDAY

Peanut butter is a perfect food, and on March 1, we honor that perfection with National Peanut Butter Lover's Day. Peanut butter's superb performance as a food comes from its versatility: it can be crunchy and it can be smooth; it's healthy, but it's also indulgent; it can go sweet, but can also go savory. We like it for every meal — peanut butter toast for breakfast, peanut butter sandwiches for lunch, peanut sauce for dinner, peanut butter ice cream for dessert. Our dogs might love it even more than we do. Celebrate peanut butter with the peanut butter lovers in your life!
