TODAY'S NATIONAL HOLIDAY

National Vietnam War Veterans Day on March 29th honors the men and women who served and sacrificed during the longest conflict in United States history. It was on March 29, 1973, when combat and combat support units withdrew from South Vietnam. Returning Veterans did not always receive respectful welcomes upon their arrival on American soil. There were 58,000 killed, never to return. National Vietnam War Veterans Day recognize the military service of these men and women who answered the call to service their country when she needed them. They didn't make the decisions to go to war.
